

A large photograph showing two hikers from behind, walking up a grassy hill. The hiker in the foreground is wearing a blue jacket and a black backpack. The landscape is lush with green grass and purple heather, with a rocky cliffside in the background under a clear sky.

# **PACK AND GO!**

## **EXTREMELY PACKABLE,**

## **EXTREMELY FUNCTIONAL**

- PRACTICAL LIGHTWEIGHT
- INNOVATIVE PERFORMANCE
- EXCELLENT FREEDOM OF MOVEMENT
- GREAT VERSATILITY

### **PERFECT OUTFITS FOR SPUR-OF-THE-MOMENT TRIPS**

Size matters! The new PACK AND GO Capsule Collection is centred on handy formats – all of its products are light, **compactly stowable** and deliver **top performance**. ### JWP SHELL MEN

#### Minimalist design, maximum mobility

This ultralight, two-layer jacket is always an inspired companion. The mechanical stretch material is 100% recycled and offers optimum freedom of movement:

- Clear colours underscore the clean look
- Reflective details
- The jacket can be fully stowed in the side pocket

Material: TEXAPORE ECOSPHERE STRETCH 2L; Weight: 430 g (size M); 100% PFC-free  
**RRP:** £ 120.00

2

### JWP PACK 18

#### Super-lightweight with straight-forward styling

This extra-light backpack is highly versatile. The large opening via the two-way side zipper provides a fast, direct overview of, and access to, the main compartment:

- Phone and keys can be securely stowed in the zipper pocket inside
- Adjustable shoulder straps
- Two elastic mesh side pockets

Material: CROSS RIP 75D; volume: 18 litres; weight: 180 g; 100% PFC-free  
**RRP:** £ 35.00

3

### JWP VEST MEN

#### Stylish all-round talent

Worn alone, this high-collared, quilted vest cuts a fine figure. Worn under or over a jacket, it creates the perfect layered look:

- The windproof, breathable material is 100% recycled
- The light fill keeps the wearer comfortably warm
- Two side pockets offer ample carrying space

Material: STORMLOCK ECOSPHERE 20D RIPSTOP; MICROGUARD ECOSPHERE; weight: 215 g (size M); 100% PFC-free  
**RRP:** £ 85.00

4

### JWP WIND MEN

#### Super-light, breathable softshell jacket that packs very compactly

JWP WIND is an ultralight softshell jacket ideally suited for sports, everyday use and whenever you are on the move. The very light FLEX SHIELD AIRLITE material is elastic and easily handles light wind and showers.

- Very light, breathable, elastic and wind- and water-repellent softshell material
- 2 side pockets
- Incl. packsack

Material: FLEX SHIELD AIRLITE;  
Weight: 165 g (size M); 100% PFC-free  
**RRP:** £ 80.00

5

### SEVEN WONDERS PACKER LOW

#### Casual sneaker for all the wonders of this world

This lightweight shoe was inspired by the idea of travelling to all the greatest sights on the planet with as light a load as possible.

- Lightest shoe in the whole collection
- Extreme breathability guaranteed
- Extremely flexible upper material allows the shoe to be perfectly folded and stowed

Material: AIR FLOW MESH; neoprene;  
weight: 480 g (size 8)  
**RRP:** £ 75.00

6

### JWP PANT MEN

#### Travel and discover in style

Super-light travel pant with narrow leg and side-opening pockets. The four-way stretch material is extremely flexible, fast-drying and breathable:

- Wrinkle-free even after long trips
- Optimal UV protection
- The pant can be fully stowed in a matching daypack

Material: MINI RIPSTOP DOUBLE WEAVE X-LITE UV Q.M.C.; weight: 240 g (size M)  
**RRP:** £ 60.00
