

Prints for the kids

What is essential for adults this season, our kids have long recognised as **must-haves**: **Print, patterns, themes** - all-over or as single embellishment, playful or clean – most importantly: **colourful and eye-catching**. Prints for kids is a statement and expression of **creativity, fantasy and joy**. Is that not a reason for a new piece in the wardrobe?

NORDIC HOODED JACKET KIDS

Perfect for cold winter days: The thick, **cuddly fleece** of the NORDIC HOODED JACKET with Japanese print pattern keeps you comfy and warm. The **windproof, water-repellent** quilting protects reliably around the shoulder and head.
